THE HEMET HARMONIZERS BARBERSHOP NEWSLETTER

February 2010

Volume 1 Issue 1

From The Prez

Well, here we are starting another new year. Our member numbers are down but we are definitely not out! We have a show coming up soon and even though we are in a different "mode" due to our college connection, we need to make an all out effort to sell tickets to our show. It's a lot more fun to sing to a large audience.

I implore all of you, no, I CHALLENGE all of you to sell more tickets than you ever have. Larry has put a lot of effort into making this a terrific production so let's not squander his effort by short selling.

We have a new Board of Directors installed, but let's all make it our own responsibility help make our evenings together on Thursday nights memorable ones by being on time for rehearsals, learning our music in a timely manner and helping each other as needed.

Even though we do not have a ladies auxiliary chairperson we will do our best to have some social activities throughout the year.

David Kelley, President

From The Editor

Howjado,

The Hemet Harmonizers Board has asked me to fill in for our great Upbeat Editor Bruce Smith while he recuperates from some serious health problems.

It will be a very difficult job to keep up the standards that Bruce has set.

We all send our prayers to Bruce and wish him a speedy recovery so he can resume his work at publishing this newsletter and then I can get back to playing

In the interim please send me any items we need to publish and any ideas you might have to help me keep our newsletter going.

V.P. MUSIC & PERFORMANCE

(And our new Barbershopper of the year)

Boy, is this an exciting time to be a Hemet (or Sun Lakes) Barbershopper or what?! The Show is really coming together and our Directors are just aching to put the finishing touches on our presentations. DO really try to get "away from the paper", especially if you are not sure of the notes or words. Making a few mistakes is really OK, when you are learning! Let's give our Directors our undivided attention as they strive to get the best out of us. We are sounding sooo'o good and we're getting better all the time

Our new (old) Board of Directors

From Left to right

Bob Doty Director,

John Chandler, At Large. Clay Panlaqui, Asst. Director. Bob Couse, Tres.

Dave Kelley, President. Harry Kaylor, Asst. Director. Art McMahan, Sec.

Larry Hull, Program Chairman. Jack Morsseau, At Large.

And in the center from the Barbershop Society. Jerry Fairchild, who swore them all into their office.

Jerry sings with the Riverside Chapter, a long time barbershopper and was an International Quartet Champion with the Sidewinders.

V.P. MUSIC & PERFORMANCE

(Continued from page 2)

Larry is working like crazy to get the "Hemet Players" on track to perform the Skit for "Frog Kissin". I have seen and heard the script written by Bill Schmitz and it is set up to get a LOT of laughs from the audience and is extremely entertaining. The "actors" are scheduled for numerous rehearsals in the near future.

We have no sing outs scheduled for the near future so we can concentrate on the show and guys, it's not too early to line up those ticket sales! We will do a great disservice to our friends and neighbors if we drop the ball and let them miss this great show!

As always, let me know if there are any tools you need to help you in anyway.

In Harmony - Harry

FROM THE DIRECTOR

well, here we are less than a month and a half from our show. The chorus is making headway with the song package and the skit players are diligently working on their 'characters'. The tickets are starting to be sold and the Canadians are here to give us a bit of a boost in each section. The Awards Banquet was well attended and everyone got their fill of tags and such. The men from Beaumont are well-prepared to offer themselves for the 'good of the order' and to further the cause. Of course, the 'cause' being the promotion of our great hobby! The way I see it, 'life is good'.
